

3rd Grade Essay

PLEASE READ THE DIRECTIONS CAREFULLY.

You will have from December to early January to collect information and research your topics. You will be required to write your essay at that practice. You may bring any materials or research that you need, and you will have from 4-6 pm to write your essay here at school. If you cannot make those days, a special day and time will be arranged for you, but it must be written at school.

3rd Grade Essay Topics:

Please choose **only one** topic and answer the question. Your response should be a minimum of one page and a maximum of two pages.

1. If you could get a brain implant that would give you instant and full access to the Internet would you get it? Why?
2. If you could have a bionic body part, what would you choose to have? Why?
3. Do you think there will ever be robots that will be dangerous to humans? Why?
4. Do you think that robots will eventually hurt mankind because they will eventually take away jobs that humans do? Why?
